SUBJECT: Working Group Meetings

STATINTL

1. The Executive Secretary of the DCI Security Committee, [REDACTED] has requested that, effective immediately, the Investigative Standards Working Group hold no meetings until further notice. Accordingly, the Working Group meeting planned for 3 October 1980 has been cancelled.

2. As the 3 October meeting was to have been devoted primarily to a detailed discussion of the "Adjudicators' Orientation Course," I would appreciate receiving, at the earliest possible convenience, your written comments and additional suggestions regarding the Task Force proposal which was presented to you at the Working Group's last meeting. I am particularly interested in your views concerning goals of the course, scope and length of the curriculum, type and number of students to be enrolled, subject matter, presentational techniques, possible sources of faculty members and guest speakers, as well as type and location of facilities, transportation, estimate of cost and funding, and planning/sequencing of course offerings. If you can get your suggestions to me this week, I will be glad to use them in an informal report I have been asked to give to the Security Committee members at their seminar on 8 and 9 October.
